Philosophy

Our Philosophy

Quality and Trust

Every meal we make comes from the best ingredients, chosen with care. We work hard to make sure our food is not only tasty but also safe and good for your pets.

Innovation at Heart

For us, innovation isn't just about newness. It's about elevating the health and happiness of every pet. We continuously reimagine pet nutrition by merging advanced technology with ingredients to deliver optimal health benefits.

Sustainability and Responsibility

We're committed to a greener planet. From sourcing to production, our processes prioritize eco-friendly and sustainable practices, ensuring a better world for pets and their families.

History of Thai Awesome

Our Company is an independent, family-owned business established in 2019. Our roots trace back over 30 years when we began as a human food and beverage company. The 2nd generation expanded the business from human to pet food, leveraging our deep knowledge of nutrition and quality.

We specialize in crafting nutritious wet dog and cat food recipes, as well as treats. Today, our products are exported to over 30 countries, reflecting our global reach and trusted reputation.

Our Products & Services

Our company develops products under Private label. We provide support services from product research and development, product design, packaging until you ready to launch finished product.

Our facility is vertically integrated product and packaging with a capacity of 5,000 tons per month. Proprietary production techniques with state-of-the-art equipment imported from Germany and USA ensure best-in-class international standards.
